

# Bulk Fulfillment

When it comes to a **one-stop shop for bulk ordering and fulfillment of plastic and digital gift cards**, we went above and beyond to simplify the purchasing process when we designed **ngcdirect**, the proprietary online, bulk ordering system from National Gift Card Corp. (NGC)

NGC's flagship service **ngcdirect** allows your organization to place an order for the delivery of digital and plastic gift cards to one address.

## How does ngcdirect work?

- Create your own **secure ordering account** for the bulk purchase of gift cards: go to [www.ngcdirect.com](http://www.ngcdirect.com) and click on 'Order Now' to set up an account.
- Your application will be verified and confirmation sent to you.
- The ordering process is **easy, quick and secure**. Use your secure login to gain access, select your cards and quantities and to make your payment.
- There is no need to sign a contract.

## Why use the ngcdirect gift card ordering portal?
